### Additional Information:

Xact Check contacts government agencies when conducting international criminal background checks. Reportable items include but are not limited to:

- 1- Crimes and offenses that are comparable to felonies in the U.S.
- 2- Misdemeanors and motor vehicle offenses

\*\*Average length of time for reportable records is 7 years, depending on the country

Turnaround time is typically 7-14 business days. Reason for potential delays include:

- 1- Country time and date differences
- 2- Unexpected discovery of supplemental documents
- 3- Holidays
- 4- Political and economic considerations

If you do not see the country you're looking for contact us at [info@xactcheck.com](mailto:info@xactcheck.com).
